

Dear Esteemed Member,

I trust this mail meets you well.

2. This is a gentle reminder on the ongoing Call for Memoranda for the holistic review of the Memorandum and Articles of Association (MemArt) of our great Society.
3. Be informed that the Council at its meeting of November 6, 2025, approved the extension for the submission of memoranda to **March 12, 2026**, and in line with this approval, the deadline for submission is fast approaching.
4. As earlier communicated, all submissions should be forwarded to the MemArt Review Committee via: memartreviewcommittee@nse.org.ng on or before the approved deadline.
5. We enjoin **Individual Members, Groups of two or more, as well as Branches and Divisions**, to begin putting together their Memoranda in earnest. **Branches and Divisions are particularly encouraged to constitute internal committees to facilitate broad consultations, collate inputs efficiently, and ensure that their positions are well articulated.**
6. This review exercise presents an important opportunity for all members to contribute constructively to strengthening our governance framework and shaping the future of our great Society. Your participation is highly valued and remains essential.
7. Kindly use the **mandatory** approved template, which is attached herewith, for your contributions.
8. Thank you for your commitment to the progress and continuous improvement of our Society.

Engr. Ademola I. Olorunfemi, FNSE, FAEng
Chairman, MemArt Review Committee
